

THE (ELLULOID (HALLENGE!

Activity Summary:

To create a documentary / movie in a limited duration of time. Idea is to tap into everyone's thoughts in a fun way – which everyone will remember too. Shoot. Edit & come well dressed for the Awards Night!.

In this challenge that gets every single person in the team engaged and contributing, we turn your employees into full film production units. The teams are challenged - to produce their own unique movies! Alternatively, we can custom design the content for the group to incorporate their very own company message, corporate focus or offsite theme.

Duration

2 to 3 hours

Where this can be run

Physical or Virtual

Group size

Upto 40

Customization

Possible

Is this workshop right for my team?

The activity brings forth different themes that can be debriefed and discussed at the end of the activity. A few of these being:

- The importance of communication in real and virtual teams
- Roles for courses – the importance of role allocation
- Embracing our discomfort and adapting to new challenges
- Aligning to one vision
